

OUR CORONA REGULATIONS

In our B&B you can enjoy a carefree holiday. We follow the rules of the Polish Ministeria Zdrowa.

In case you have health problems

If you suffer from a cold, a runny nose. If you have a cough or a temperature increase up to 38 degrees centigrade or more, or if you suffer from loss of smell or taste, we request that you stay at home and cancel your visit.

We request that all our guests and employees carefully observe the following precautions:

- Social distancing in terms of keeping a distance of two meter between one another
- Wash your hands often
- Don't shake hands
- Use tissues to blow your nose
- Cough and sneeze inside of your elbow
- Preferably pay by card or contactless

At our B&B we apply the following rules:

- We strictly follow the rules of social distancing and therefore we keep a distance of at least two meter between one another
- You are asked to wash your hands on arrival and mouth masks are available
- Guests have to register upon arrival for the purpose of source and contact monitoring
- A maximum of four persons applies per group. If your household consists of more than four persons, for example a family, than an exception will be made
- Public areas are extra cleaned on a daily basis
- After your departure, the rooms, including door handles, light switches and remote control TV, are carefully cleaned
- Towels and bed linen are washed at 60 degrees celsius
- Breakfast is served in the kitchen diner. Each apartment has ist own table, with sufficient space between the tables. Breakfast is served on the table
- Coffee and tea accessories are available in each apartment
